FROM THE CHIEF

Welcome to **Lambert Park**, for this highly anticipated **WNPL Round 8** fixture with competition leaders **Macarthur Rams**.

Before we get into today, for those who haven't purchased their tickets for the **Festival of Football** extravaganza next week, please show your support to the club and do so. It promises to be a magnificent event.

The club welcomes **Steve Peters** and the **Macarthur Rams** to picturesque Lambert Park.

The Rams are one of the competition's most prestigious names and the 2021 version is living up to the billing. After a number of down years, the Rams are looking the goods and sit comfortably on top of the table in both first grade and in the highly coveted Club Championship, while their reserve grade is sitting just outside the top five.

Our club is starting to get some bodies back but we are still without important names such as **Ibini, Allen** and **Simon** while **Susan Phonsongkham** will be missing after picking up an injury last week. Young Matilda **Leah Davidson** is back on the pitch training which is a welcome sight.

The first grade team is primed for a big performance after last weeks disappointing showing. Our central defensive pairing of **Lizzy Ralston** and **Tori Tumeth** will need to be at their best to stop the free-flowing Rams attack while expectations are high for attacking duo **Georgia Yeoman-Dale** and **Lisa De Vanna** to score the important goals and will rely on midfield dynamos **Rhianna Pollicina** and **Grace Maher** to lay the foundations in the centre of the park.

Andrew Tucker and reserve grade has made a great start and is in second position on goal difference only. A win today against an improving Rams team will go along way of ensuring a top two position come the half way point of the season.

Our Youth League has had a fair start to the season but there are definite signs that all three teams are beginning to find their feet. The 17s are for the first time in the top five while the 14s and 15s will edge closer to the top with wins today.

Our GSAP might be away from home today to Marconi but are never far from our thoughts. We've made some changes in that space in recent weeks and already we've started to see the improvements we expected. The remainder of the season looks promising for our talented youngsters.

I'd like to thank the Clubs Gold Sponsor **West's Ashfield**, The Womens Program Major Sponsors **Paramount Lawyers, CUBIC, Boutique Residential, Integrated Services Group, IT on CLOUD, Audi Five Dock** and **Strive Fitness**. Our team sponsors **Nugan Estate, APAC Facility Management, Jeff Mills Auto Electrical, South Pest, Curtis Partnership, Bob Jane T Marts Haberfield, Love Pets Photography** and **Wholesale Trophies**.

Also a special mention to **Dolcissimo** who is providing a **\$25.00 Gift Voucher** for the player of the game at all Lambert Park games and **The Rio - Restaurant and Bar** who is providing a **\$100.00 Voucher** to the first grade player of the game.

Without your continued unwavering support the club could not do all the special things we do.

Good luck to all teams and see you at **Fortress Lambert**.

Regards,
Matteo

FROM THE GSAP TD

This week our **GSAP teams** travel to **Bossley Park** looking to keep the momentum going after our away trip to **Sutherland** last weekend where we achieved some great results. The progression and improvement in all of our four teams from preseason until now has been outstanding. You should be all congratulated and keep up the good work.

This weekend we take on our Italian cousins in **Marconi** who are always a strong opponent in the juniors. Games between the two clubs have always been competitive and where the football played on the pitch is always of a high quality. It promises to be an exciting morning and no doubt our girls will be up for the challenge

In the past few weeks each every team in the APIA GSAP program have continued to improve where skill levels and playing structure have becoming more evident in the games the girls play.

I would like to thank all the parents and GSAP players that took the time in supporting our 1st grade team last Thursday night against **Northern Tigers** and also welcoming Matilda legend **Lisa De Vanna** to the club. Your vocal support was great to see in making this a memorable night for the club.

Finally to our wonderful GSAP program sponsors **Dolcissimo Ristorante, Paramount Law, Boutique Residential, IGS, Shades of Italy** and our GSAP Team sponsors **Strive 24/7 Fitness** (Under 10), **Love Pets Photography** (Under 11), **Bob Jane T-Marts Haberfield** (Under 12) and **Curtis Partnership** (Under 13). Thank you for your generosity and continual support of the Women's Game
