# FROM THE HEAD OF WOMENS FOOTBALL

As the cover states, we might be down, but we are definitely not out. Far from it in fact.

Winless in four games at most clubs would mean panic stations, but we have a strong and focused coaching group and support staff, a fantastic playing group who have a desire to create history at the club and make this seasons finals series.

The performances in all those games have been of a high level especially last week vs last years Grand Finalists The Northern Tigers. We dominated and created numerous chances, unfortunately our dominance in possession and chances created didn't result in the three points we deserved.

Today is a very important game if we are to climb back into the top four and we take on a club who for many years was the pinnacle of Women's Football in NSW, the Macarthur Rams.

The team is filled with household names such as Leena and Sham Khamis, Patty Charalambous and the evergreen Renee Rollason.

Our Reserve Grade team is sitting nicely in third position after a good win last weekend and can really cement their place in the upper echelon of teams before next weekend's top of the table clash with Sydney Olympic.

Our Youth teams welcome NPL2 club St George Saints this week.

With the supplementary COVID competition seeing clubs play against clubs in close proximity we welcome Carlo Tini and the remaining Saints officials to Lambert Park.

Last weekend we took on the pinnacle of NSW Youth Clubs, Sydney Uni only a few weeks after playing them in the competition proper and there was a marked improvement in our performances and results. Special mention to our 14s who lost 0-5 two weeks back and improved their performance to seal a 0-0 draw.

I'd like to thank the Clubs Gold Sponsor **West's Ashfield**, The Womens Program Major Sponsors **Paramount Lawyers**, **Specialist Tunnel Excavations**, **Boutique Residential**, **Integrated Services Group**, **Snaidero**, **Dolcissimo Wholesale Trophies** and of course our long time and most Loyal Sponsor **CUBIC** for their unwavering support as well as our team sponsors **IToncloud**, **Pazcon** and **Painaway** and all our Individual Sponsors.

Without your continued unwavering support the club could not do all the special things we do.

Stay safe.

# APIA GIRLS SKILLS ACQUISITION PROGRAM

This weekend sees our little Tiger cubs back home at Lambert Park.

After some fantastic performances last weekend vs Sydney Olympic our girls get will play ESFA in the reconfigured competition draw. Its the second time this season we play ESFA which will give a clear indication on how the teams are travelling. We have a fantastic bunch of girls and parent group and its exciting to see their willingness to improve, develop and play a fantastic, and exciting brand of Football. It promises to be an exciting morning.

We are investing in the long term development of players to ensure that the basic fundamentals they learn week in and out at training, guide them to not only play the game they love but to help them develop in becoming a better player and person for the future.

As always our focus is on playing a possession brand of football. It's a work in progress however the thought process of believing in the system is key and that doesn't just come from the players and coaches but most importantly will be harnessed via the parent group.

I'd like to thank all family members and friends that give up their time and help the club with field setups when asked upon. The club recognises and appreciates your work and we are all very thankful.

I'd also like to thank our GSAP sponsors **Snaidero, Specialist Tunnel Excavations, Boutique Residential, Integrated Services Group** and **Shades of Italy** for their generosity and wish all eight teams the best of luck today.

Roberto Maiorana  
GSAP Technical Director
