APIA v BLACKTOWN SPARTANS

# FROM THE HEAD OF WOMENS FOOTBALL

This afternoon we welcome the players, coaching staff and families of the Blacktown Spartans to picturesque Lambert Park.

It promises to be a fantastic game of football as the Spartans have some fantastic players within their ranks.

They have without doubt one of the more formidable attacks in the competition with Dudek, Galea, Crofts, as well as young guns Cooney-Cross and Moreno, so it promises to be a game full of attacking highlights.

Last weekend was a week of firsts for the team – the first time we were held scoreless, the first time we hadn't won and the first time we had conceded two goals in a game.

Whilst the disappointment of our first defeat still lingers, the team have worked hard this week to ensure a repeat doesn't happen this weekend. The loss of Lizzy Ralston will hurt moving forward however it gives someone else an opportunity to step up.

We wish Lizzy the best in her recovery and hope to see her back on the pitch as quickly as possible.

With this competition being a "sprint" rather than the usual "marathon" this game will have extra importance as both teams are vying for semi-final positions.

The quality on display is not only in the First Grade game.

Reserve Grade sees both teams in the top four, with the teams having the top two defensive records in the competition. In the Youth competitions – the Spartans are renowned for having quality teams – this season has been no different, with all their teams sitting in the competitions' top half.

The day starts with our little guns in our GSAP who take on North West Sydney Koalas and we welcome their players, officials and families.

I'd like to thank the Clubs Gold Sponsor **West's Ashfield**, The Womens Program Major Sponsors **Paramount Lawyers**, **Specialist Tunnel Excavations**, **Boutique Residential**, **Integrated Services Group**, **Snaidero**, **Dolcissimo Wholesale Trophies** and of course our long time and most Loyal Sponsor **CUBIC** for their unwavering support as well as our team sponsors **IToncloud**, **Pazcon** and **Painaway** and all our Individual Sponsors.

Without your continued and unwavering support the club could not do all the special things we do.

In ending, a huge congratulations to both Princess and Lizzy on re-signing for Sydney for the upcoming W League season.

Stay safe.

# APIA GIRLS SKILLS ACQUISITION PROGRAM

This weekend sees our little Tiger cubs back home at Lambert Park.

After some close well-played fixtures last weekend, the girls are back home with their willingness to improve, develop and play a fantastic, and exciting brand of Football.

This weekend we welcome NWS Koalas.

NWS Koalas have a rich heritage in youth and are well known in the female game. It promises to be an exciting morning for both clubs seeing the future of our respective clubs.

We are investing in the long term development of players to ensure that the basic fundamentals they learn week in and out at training, guides them to not only play the game they love but to help them develop in becoming a better player and person for the future.

We have so much talent so there are exciting times ahead, so let's remember to sit back, encourage and let these little cubs roar.

As always, a possession brand of football is what we want to play, it's a work in progress however the thought process of believing in the system is key.

Importantly I'd like to thank all family members and friends that give up their time and help the club with field setups when asked upon. The club recognizes and appreciates your work and we are all very thankful.

I'd also like to thank our GSAP sponsors **Snaidero, Specialist Tunnel Excavations, Boutique Residential, Integrated Services Group** and **Shades of Italy** for their generosity and wish all eightteams the best of luck today.

Roberto Maiorana  
GSAP Technical Director
