FROM THE HEAD OF WOMENS FOOTBALL

If there is ever a must win game this is it.

After last week's humbling and disappointing loss to rivals Sydney Olympic we take on the upcoming stars North of Sydney, the Newcastle Jets.

The Jets are down the bottom of the ladder but cannot be taken lightly. They are no easy beats and are improving with each game having pushed a number of top clubs to their limits. Having closely monitored the Jets, they are young, quick, energetic and have a never say die attitude which is credit to their coach Ash Wilson and their Technical Director Craig Deans.

For us a win is a must to give ourselves any chance of qualifying for the Semi Finals.

I have no doubt that the girls will be primed and ready to make amends after last week.

Talking about last week, there were some scintillating performances by our reserve Grade and 17s teams who beat their opponents 5-0 and 7-0 respectively, while our 14s came from behind to win 2-1 in a brilliant second half performance. Our 15s also played well, going down by a single goal.

With the FNSW supplementary continuing for another fortnight, this week we welcome the University of NSW to picturesque Lambert Park. Uni are a club with whom we have had a great relationship during our time in NPL2 and we welcome them with open arms.

We also welcome neighbours Inter Lions who will play our young talented GSAP girls.

In ending I'd like to thank the Clubs Gold Sponsor **West's Ashfield**, The Womens Program Major Sponsors **Paramount Lawyers**, **Specialist Tunnel Excavations**, **Boutique Residential**, **Integrated Services Group**, **Snaidero**, **Dolcissimo Wholesale Trophies** and of course our long time and most Loyal Sponsor, **CUBIC** for their unwavering support as well as our team sponsors **IToncloud**, **Pazcon** and **Painaway** and all our Individual Sponsors.

Without your continued unwavering support the club could not do all the special things we do.

Stay safe.

A stylized, handwritten-style signature in dark red ink that reads "Matteo".

APIA GIRLS SKILLS ACQUISITION PROGRAM

After last week’s blockbuster Italian derby against Marconi, it’s a welcome return to Lambert park as our talented GSAP program welcome local opponents Inter Lions FC.

Our two youngest teams will be up for a real challenge this weekend as they compete against teams above their respective age group.

It Should be a great test of character and to also see what progression they have made throughout the season.

It’s been an entertaining season to date , it has been extremely pleasing to see the hard work at training showing off in our performances each weekend.

Our girls continue to play exciting brand of Football as our coaches continue to preach the importance of improving rather than that of winning.

In saying that, I’d like to acknowledge our fantastic parent group who have been nothing short of tremendous in understanding our club’s vision and philosophy and supporting it wholeheartedly. I’d like to thank our GSAP sponsors **Snaidero, Specialist Tunnel Excavations, Boutique Residential, Integrated Services Group** and **Shades on Italy** for their generosity and wish all 8 teams the best of luck today.
